LEARNING AND TEACHING

- Staff to gain an awareness of the Brisbane Catholic Education Learning and Teaching Framework through professional development, staff meetings, workshops and year level planning
- Explore and implement contemporary pedagogical practices focusing within History and Religious Education Curriculums
- To highlight, in our planning, the cross curriculum priorities:- Asian studies, Aboriginal and Torres Strait Islander studies and Sustainability
- Embedding ICT into our learning and teaching environments (using LIFE – Learning Management System)
- Allocate expertise/time to analyse already gathered data to greater depth and to explore how this data can be used to improve student outcomes (planning for)
- Develop a consistent whole school approach to social skills
- To participate in professional development where the understanding is enriched in relation to the assessment standards in the Australian Curriculum

PROFESSIONAL PRACTICE AND COLLABORATIVE PARTNERSHIPS

- Teacher professional goals are aligned to the School Renewal Framework and a process developed that allows the giving and receiving of feedback
- To assist school staff with embedding performance and development processes (AITSL – Australian Institute for Teaching and School Leadership)
- Develop a yearly calendar of school events (eg Religion feasts, pastoral days, book week, excursions) which gives staff an informed overview of the year ahead
- To promote staff wellbeing and relationships through social gatherings, coming together in prayer and in daily interactions
- Build partnerships with other schools and community organisations (sharing of professional practice, environmental)

MISSION AND RELIGIOUS EDUCATION

- To theme the Year of Faith throughout our school as we embrace and explore our history, ethos and Franciscan values especially in this year of 75th celebrations
- A whole school focus on delivering lessons on the vision and mission, Franciscan values, school logo and behavior support plan (e.g. Charter) if this is our school vision and mission what it will look like in each classroom
- Each term a focused session with staff exploring spirituality eg Franciscan, meditation, staff outreach (Rosies)
