Principal's foreword

The 2019 Annual Report presents information for reporting requirements and informs the wider community of our school's operations and achievements through the year. The report includes information on the school's profile, curriculum delivery, social climate, school funding, workforce composition and student performance.

School progress towards its goals in 2019

St Joseph's inclusive community values authentic Parent engagement and embraces diversity. Each student is a unique individual valued for his or her identity, gifts and talents. Together as a team, we have one goal, joy-filled learning, where our students strive to achieve high expectations in a safe, happy environment fostering humility, care and respect.

We are committed to improving student performance academically, culturally, spiritually, physically and socially. We recognise we educate the leaders of our tomorrow. We stimulate curiosity, creativity, innovation, imagination, investigation, problem solving, making connections, collaboration and self-reflection. We build positive parent partnerships as we journey together in the excitement of learning.

Learning is our work. Students thrive, are challenged, supported and encouraged to be more.

Goal	Progress
By the end of 2019, 90% of Prep students will score a 2 for 1.1 and a score of 1 for 1.2 and 1.3. 90% of Year 1 students have developed a consolidated understanding of the concept of 'Trust the Count'. 90% of students in Years 2 to 6 who had not previously developed an understanding of 'Trusting the Count' demonstrate a consolidated understanding of this concept.	Achieved
Familiarise, introduce and implement the RSE to our teaching staff.	Achieved
Align Christian Meditative Prayer Practices with RLOS and RE Curriculum	Achieved
Establish practices to ensure the allocation of resources are equitable, strategic and sustainable.	Achieved

Strong Catholic Identity: Franciscan spirituality is embedded and permeates St Joseph's ethos and school culture. In 2019, our professional learning community aligned, deepened and synergised our Christian Meditative Prayer Practices with the Religious Life of the School and the Religious Education Curriculum. Our teachers built their own capacity, knowledge and skill in the planning, implementation and delivery of the Religious Curriculum by incorporating RSE as part of their pedagogical practices.

Excellent Learning and Teaching: St Joseph's are committed to accelerating numeracy learning for each student through embedding effective and expected teaching practices. In 2019, our NUMA teachers along

with our PLL worked in positive partnership to build our professional learning collaborative to deepen and broaden the teaching of numeracy across our school.

Building a Sustainable Future: Our continued strategic priority of effective and efficient allocation of financial resources to deliver St Joseph's master plan and the consistent delivery of contemporary, high quality education. Allocation of resources were equitable and strategic ensuring sustainability. This success is evidenced by positive financials.

Future outlook

The explicit improvement agenda for 2020

Strong Catholic identity: By the end of 2020, parents of the St Joseph's community will have an understanding of RSE, the Catholic Perspectives across the Australian Curriculum and be familiar with the school's implementation plan. To strengthen teachers' capacity in making connections with Judaism and Catholic Perspectives.

Excellent learning and teaching: In our second year of NUMA we will continue with a focus on Trusting the Count and introduce Place Value as a priority. By the end of 2020, 90% of Prep students will score a 2 for 1.1 and a score of 1 for 1.2 and 1.3 for Trusting the Count. 90% of Year 1 students have demonstrated a consolidated understanding of Trust the Count mid year 1. By the end of Year 2, 90% students will have demonstrated a full score in sections 2.1 and 2.2. 90% of students in Year 3 will have demonstrated full conceptual understanding all tools by end of Year 3.

Increasing attendance rates for students at St Joseph's will be of a high priority.

SMART goal for literacy will continue to be a priority across the school with a focus on improving reading and writing ability of each student. By the end of 2020, the consistent use of Effective and Expected Practices in the teaching of Reading will result in: · 95% or greater of students in Prep · 95% or greater of students in Year 1 · 95% or greater of students in Year 2 reading beyond the minimum BCE PM Benchmark: Prep-PM 5, Year 1-PM 14, Year 2-PM 22

Building a sustainable future: To develop a current legislative agreement with Catholic Early EdCare for the operation of Outside School Hours Care Facility on school site. At this point in time, there is no agreement for OSHC for St Joseph's. We will continue to work with Peter McKee to ensure this legal paperwork is finalised.

Our school at a glance

School profile

St Joseph's School is a Catholic school administered through Catholic Education Archdiocese of Brisbane.

Coeducational or single sex: Coeducational

Year levels offered in 2019: Primary

Student enrolments for this school:

	Total	Girls	Boys	Aboriginal and Torres Strait Islander students
2019	390	229	161	0

Student counts are based on the Census (August) enrolment collection.

Characteristics of the student body

St Joseph's Bardon is situated in a catchment area where the majority of our students come from middle to high socio- economic, English-speaking families. The religious background of our students is mostly Catholic and families from other Christian denominations. A number of our students have previously lived or travelled overseas. At St Joseph's in 2019, we had 18 classes across Prep to Year 6.

Curriculum delivery

Approach to curriculum delivery

St Joseph's is committed to delivering excellence in learning and teaching. We are an extremely well-resourced school in both physical and human capital. Our staff are committed to our Brisbane Catholic Education Mission to **Teach, Challenge** and **Transform**. We inspire our students with a love of learning and a heart of hope as they are empowered to shape and enrich our world.

Our aspiration is to grow engagement, progress, achievement and well-being for every student by:

- ~ advancing student progress and achievement
- ~ accelerating literacy and numeracy learning
- ~ innovating for excellence
- ~ achieving maximum learning potential

We are committed to our Strong Catholic Identity as we aspire to strengthen our capacity to lead, engage and teach with a re-contextualized Catholic world-view. We sustain our Catholic identity through the delivery of our Religious Curriculum and through example of our Religious Life of our School as we grow holistic and inclusively the faith formation of our students, staff and parents.

We are committed to improving student performance academically, culturally, spiritually, physically and socially. We recognize we educate the leaders of our tomorrow. We stimulate curiosity, creativity, innovation, imagination, investigation, problem solving, making connections, collaboration and self-reflection. We build positive parent partnerships as we journey together in the excitement of learning.

Teachers differentiate the curriculum as they know their learners and offer individual support and personalised learning to facilitate the next stages of the progression. Teachers prioritise the General Capability: Personal and Social Capability, as we understand and acknowledge that students need to feel safe and happy in their classroom environment to maximum learning potential. Our teachers are committed to developing positive relationships with all their learners, instilling in students that sense of security, wellbeing, inclusion and comfort. Teachers develop Class Covenants to articulate the clear expectations and guidelines for inclusion in the classroom.

At St Joseph's we identify our high-end learners and tailor the curriculum to engage, challenge and extend these students well above the curriculum level. Partnerships with external agencies like University of Queensland and Griffith University to support STEAM opportunities. Coding is a language taught in our school. Our teachers incorporate the Model of Pedagogy and Inquiry learning which brings together the principles and practices of learning and teaching that lead to success for all learners.

Our teachers are committed to plan across and within year levels incorporating a team approach, working in positive, collaborative partnership with parents. Teachers are supported and mentored in their profession with the partnership of our Primary Leader of Learning, our Support Teacher Inclusive Education, our Teacher/Librarian, our Guidance Counsellor, our Assistant to the Principal Religious Education, our Principal and, at times, external stakeholders from Brisbane Catholic Education or from the wider community.

The school's curriculum is planned directly from:

- The Australian Curriculum www.acara.edu.au
- Archdiocese of Brisbane Religion Curriculum www.bne.catholic.edu.au

The Australian Curriculum sets out what all young people should be taught through the specification of curriculum content and the learning expected at points in their schooling through the specification of Achievement Standards. Assessment for, of and as learning, occurs throughout the year, both informally and formally, with reference to these Achievement Standards. Our Dispositions for Learning, under our STAR behavior of **Actively Learn**, encourages our students to take ownership of their learning, demonstrating how to persist, reflect, take risks, collaborate and connect their efforts.

Co-curricular activities

At St Joseph's your child will thrive, be challenged, supported and encouraged to be more. As well as class teacher, our students work with specialist teachers: Health & Physical Education, Chinese Language & Culture and The Arts: 3-week cycle: Visual Arts, Dance & Drama (40-minute lessons per week of each specialized

area from Prep to Year 6). All students have a 1-hour fortnightly lesson with our Teacher/Librarian on Literature studies, Information Technology, to be Cybersafe and being a positive Digital Citizenship. All students have a 1-hour fortnightly lesson with Music Specialist Teacher. Our ICT Education Officer works in partnership with class teachers to embed coding as a language engaging the Technology Curriculum.

Our school offers outstanding facilities, high quality educators and an extensive extra-curricular plethora of opportunities:

- Before and After School Sporting Opportunities: Go Sports, Rookies2Reds, AFL, Tennis lessons, Martial Arts, Basketball.
- Sporting Schools Grants opportunities & external sports development officers working in partnership with St Joseph's and our Health & Physical Education Specialist Teacher.
- Swimming lessons, Swimming Carnivals and Fun Day.
- Gala Sports: Interschool competitions, QC Netball Cup, Zone Carnivals and opportunities to represent at District & Regional Carnivals.
- Clubs such as: Netball, Kilometre Running, St Joey's Athletics, Chess, Girls Cricket, Homework etc.
- Robotics: Curriculum-based and extra-curricular club
- Partnership with Griffith University: STEAM project in Middle Years.
- Tournament of the Minds, STEAM initiatives, Brain raiders, Readers Cup, Debating, and other initiatives.
- Dance Troupe, Hip Hop classes, external Physical Culture classes, external Speech & Drama Lessons
- Instrumental lessons: Piano, Violin, Strings, Percussion, Woodwind, Brass and Guitar. Instrumental Music Program in Year 4.
- Choirs: Junior and Senior. Bands: Junior and Senior. Strings Ensembles: Junior and Senior. Flute Ensemble.
- Whole School Arts Showcase Performances
- Celebration of Learning Events: Under 8 Day, Languages Culture Day, Book week Events, Simultaneous Story Time, Readathon...
- Student Leadership opportunities: we are committed to promoting and strengthening Student Voice: Student Council, Buddies Program, Committee Service Groups.
- Educational School Camps: supporting the relevant curriculum. Camp in Year 4 & 5, Canberra trip in Year 6.

How information and

communication technologies are used to assist How information and communication technologies are used to assist learning

At St Joseph's we ensure that all students benefit from learning about and working with traditional, contemporary and emerging technologies that share the world in which we live. Our teachers' pedagogical approach fosters a clear relationship between Digital Technologies and the ICT General Capability. Our pedagogical approach engages students in critical and creative thinking, including understanding interrelationships in systems when solving complex problems. Learning provides students with opportunities to apply practical skills and processes when using technologies and resources to create innovative solutions that meet current and future needs.

As a school we are extremely well resourced with physical technologies: state of the art data projects in every classroom, \$52 000 robotics equipment, one-to-one devices in Years 4 to 6, one-to-two in all other year levels. Students investigate, design, plan, manage, create, produce and evaluate technologies solutions. Our ICT Education Officer works in partnership with class teachers to embed coding as a language engaging the Technology Curriculum. All students have a 1-hour fortnightly lesson with our Teacher/Librarian on Information Technology, to be Cybersafe and being a positive Digital Citizenship.

Social climate

Overview

St Joseph's is located within inner city Brisbane with beautiful grounds which include refurbished classrooms, sustainable gardens, cricket nets, multipurpose courts, large school oval, playgrounds, large school hall, sandpit, nature play area, student wellbeing center, spacious contemporary library and outdoor contemporary learning spaces. Our classrooms are fully air-conditioned, modern with contemporary furniture. Our school motto is based on the Franciscan values of Humility, Care and Respect. We value safety and promote the well-being of each student.

Paramount to our school is building and fostering school spirit through a welcoming, inclusive community. We are proactive in our approach and use Restorative Justice Practices. This is evident in our school policies, programs and documentation. We staff a Guidance Counsellor, Primary Learning Leader, Teacher Librarian and Support Teacher Inclusive Education as part of our Teaching & Learning Team.

Our senior students are buddied with our junior students to foster our social climate. We have a student council that ensures student voice is heard and active in our school.

Our parents are very involved in the life of our school through the numerous Parents and Friends Association initiatives: Care & Concern Group, New Family to Existing Family Buddy System, Class Parent Reps, Parents and Friends Social Events i.e. Welcome Disco, Tea and Tissues morning tea on the first day, Trivia Night, Mothers' Day Lunch, Father's Day Stall, School Fair etc.

Contemporary technology tools are throughout the school. The school is extremely well resourced.

BCE Listens Survey - Parent satisfaction

Performance measure	
Percentage of parents/carers who agree [#] that:	2018
This school helps my child to develop their relationship with God	97.5%
My child is encouraged to participate in spiritual and religious activities and projects outside of the classroom	92.7%

Family and community engagement

"Together We Can" is our school mantra in promoting and valuing the cultivating of collaborative culture. We understand that parents are the first educators of their children. Their positive partnership and engagement is widely nurtured in our school. Our Parents and Friends Association are a genuine presence in our school where they initiate both social and fundraising school events. This extends to a Parent Care and Concern group who support the wellbeing of families in need. Our school Tuck-shop operates on a parent volunteer basis which creates a positive parental engagement that benefits both those volunteering and the students. School events warmly welcome and encourage parental involvement and attendance i.e. school carnivals, extra-curricular activities, excursions, incursions, St Joey's Athletics & Netball club etc. Nurturing the faith element in our school is partnered by parent's attendance and participation in religious events such as whole school mass, assembly prayer, class prayer, sacramental program and community prayer. The classroom environment is inclusive of parents and is enriched by their partnership in authentically engaging in their child's learning journey.

Environmental footprint

Reducing the school's environmental footprint

This is the first year of reporting on the school's electricity usage. Responsible energy usage supports the school's efforts towards a living response to Pope Francis' Encyclical *Laudato Si'* Care for our Common Home.

St Joseph's are committed to reducing our carbon footprint. In 2019, through student voice, our Student Council promoted this message regularly through presentations and promotional events. We reflected on data gathered on reducing waste, electricity use, recycling, establishing more gardens and tree planting. Students develop and deepen their understanding in this cross curricular priority of sustainability through our teachers' focused, explicit teaching and pedagogical delivery.

A tremendous achievement for our school has been the Rosewood Reserve where one tenth of the school land has been re-established as a natural corridor. This was and continues to be an extensive project for our school community as we continue planting and maintaining this new nature play environment.

Environmental footprint indicators

**Graduate diploma etc. includes graduate diploma, bachelor honours degree, and graduate certificate.

Professional development

Expenditure on and teacher participation in professional development

The total funds expended on teacher professional development in 2019 were \$140 000.00

The major professional development initiatives are as follows:

Implementing Brisbane Catholic Education Excellence in Learning & Teaching initiatives in improving Literacy and Numeracy outcomes for every student. Professional development based on 4-C pedagogical approach (co-planning, co-teaching, co-debriefing, co-reflecting). Early Years professional development on learning through play and the Context Text Model of teaching English. The professional development of establishing NUMA leaders who worked in collaborative partnership with our Primary Leader of Learning to build capacity of teachers in their pedagogical delivery of learning and teaching mathematics and numeracy across the curriculum. Pedagogical approach to inquiry-based learning to build critical, confident learners across all year levels. STEM initiatives and Middle Years philosophies in deepening teachers' competency, understandings and knowledge using contemporary technologies. Continuing to embed High Yield Strategies: Learning Walks and Talks, Review and Response meetings, Data Wall professional conversations. Teachers continue to implement effective and expected practices and learning progressions. Graton University research around student engagement has been a high priority area for our staff to know thy impact and differentiate the curriculum and learning environment to improve student engagement. Our approach to professional development is learning together with a growth mindset in coaching conversations to change practice consciously in moving learning and student success forward.

The proportion of the teaching staff involved in professional development activities during 2019 was 100%.

Staff attendance and retention

Average staff attendance

Description	%
Staff attendance for permanent and temporary staff and school leaders	95.9%

Proportion of staff retained from the previous school year.

From the end of the previous school year, 95% of staff was retained by the school for the entire 2019.

Performance of our students

Student attendance

Description	%
The overall attendance rate* for the students at this school	93.4%
Attendance rate for Aboriginal and Torres Strait Islander students at this school	0.0%

Average attendance rate per year level			
Prep attendance rate	92.5%	Year 4 attendance rate	93.2%
Year 1 attendance rate	92.9%	Year 5 attendance rate	93.4%
Year 2 attendance rate	93.3%	Year 6 attendance rate	94.8%
Year 3 attendance rate	94.1%		

*The student attendance rate is generated by dividing the total of full-days and part-days that students attended, and comparing this to the total of all possible days for students to attend, expressed as a percentage.

The overall student attendance rate in 2019 for all Brisbane Catholic Education schools across years Prep-6 was 91.9%.

Description of how non-attendance is managed by the school

It is important for our school to investigate patterns and underlying causes of non-attendance so that appropriate strategies can be implemented. Our school and teachers are legally required to monitor and record attendance on a daily basis: absent or present in class, on excursion or at a school-based activity. The roll is marked at 9am and 2pm daily. A 'Daily Attendance Check' report is run in eMinerva each morning after the 9am rolls are marked. This report is checked against the absentee list. An SMS is then sent to parents to follow up any unexplained absence. Legal guardians have a legal obligation, as set out in the Education (General Provisions) Act 2006, to ensure a child is enrolled and attends school. We work in partnership with our parents to promote and monitor student attendance and we follow up unexplained and prolonged absences. We utilise an on-line data monitoring system, electronic roll marking and electronic late arrivals, early departures data system.
