

ST JOSEPH'S NETBALL CLUB

Club News

Congratulations to all teams on a great start to the season!

As you will all know now, parking at Downey Park can be difficult. Please allow enough time to battle the traffic and find a car park so as to arrive at your team's designated warm up time.

Team News

St Joseph's 1 – U12 (Div 4) v The Gap 26

This was the first time our girls had played together, so we were all nervous and excited, but from the first whistle the girls worked like a well-oiled machine. They dominated the game with an astonishing win of 19 to 7. Our attack played aggressively, our defence was dynamic and our shooters on fire. Here's to an amazing netball season with many more wins to come!!! Congratulations and thank you to our ever-patient coaches

St Joseph's 2 – U12 (Div 5) v Samford

Congratulations on a great first game with a win of 19 – 2 over Samford. Coach Alyce is very proud – keep up the good work

St Joseph's 4 – U10 Blue vs Vipers 9

A very promising start to the 2016 season, with a 17-0 victory over Vipers 9. We saw great team work at both ends of the court, determined defence, and a really healthy attitude to having a go at goal shooting. Thanks to the girls who happily filled in for Vipers, too. Well done girls! Can't wait to see how well you'll be playing by the end of the season!

St Joseph's 5 – U10 Yellow vs Phoenix 6

Great first game by the girls this week. Some early goals gave our girls plenty of confidence which they carried throughout the game. The girls did a great job of working together, spreading out and getting into the open so their teammates had someone to throw to and we had some brilliant intercepts. Great teamwork girls!

St Joseph's 6 - U8/9 Red v Raiders 36

The girls were very excited for their first game of the season and their enthusiasm did not waiver throughout the entire game. For some it was their first game ever at Downey Park but they handled it like pros! Their willingness to learn at training sessions paid off against a well matched opponent, not to mention some amazing goal shooting! With such a delightful group of girls, paired with dedicated coaches the season ahead looks promising.

St Joseph's 7 – U8/9 Green v The Gap 50

After a warm-up run around the Downey Park toilet block (cue in Chariots of Fire music) our golden girls twirled their way on to the netball court. Brimming with enthusiasm, excitement and a belly full of butterflies, many of the girls played their first 'real' game this Saturday. In a nutshell... They were simply fantastic! Brilliant attack, defence and goal shooting. The seeds of 8/9 Green Superstars were sown at Downey Park this week. Well done girls on a great first game!

St Joseph's 8 – U8/9 White v Raiders

The team had a great first game against the Raiders. There were some impressive moves and quick hands for the new team of girls. Final score 7 – 2 to the Raiders. Congratulations go to Sophie and Violet for the 2 goals!

St Joseph's 9 -U8/9 Purple v The Gap 53

Most girls on both teams were playing their first game of netball and, considering this, it was a great game in which all players seemed accomplished from the get-go. It is a credit to the coaches and players that the standard was so high. The Gap team included a number of tall girls, including some ex-Joey's students, and they were determined to bring it! As the game progressed, The Gap girls were able to control the flow of the ball to their advantage but Joey's did a great job of defending all the way to the final whistle. It was a flying start to the year and the team is looking good for a fun year.

St Joseph's 10 -U8/9 Purple v Flugel 11

The girls kicked off their first game of the season with a mix of nerves and excitement, wearing the St Joeys uniform with pride and giving their all. It was an amazing first effort, with excellent teamwork, fancy footwork, and a flurry of goal making that'd make any Firebird proud. Congratulations to all girls, and especially the persistence and focus of Zoe White. It was a brilliant game and the girls played with determination and great sportsmanship. The girls had a ball, and a very deserving win. May it be the first of many!
