

Dear Parents and Caregivers,

In collaboration with Fr Gerry and the Principals of the Jubilee Catholic Schools it has been determined that an increase of 2% will be applied to 2018 Tuition Fees and all levies (excluding Capital and P&F Levies). This is a maximum increase of \$32 per child (or 1.9% on base fees) and is below the 3% recommended increase suggested by Brisbane Catholic Education. We value transparency of our School Fee and Levy breakdown and the below information provides you with the ability to compare and contrast 2017 to 2018.

- In this 2017 Fee Schedule there was a calculation error in the Archdiocesan Levy for a family with 2 children. On the schedule it has been shown as \$534, however the amount should have been \$514 (Double the single child rate of \$257) I can confirm that the amount charged to families is in line with the schedule.
- The Archdiocesan Levy for 2018 has been set at \$1.96 per student per SES point. St Joseph's SES is 125 which means that the per child rate for 2018 equates to \$245 per student. Added to this is \$21 per child for the Catholic Futures Fund = \$266 per child for Archdiocesan Levy and Futures Fund Combined. Last year this was \$257.50 per child. The \$8.50 increase per child represents a 3.3% increase. However as these increases are mandated by the Archdiocese this increase is beyond the control of the individual school.

Yours in education, Fran
