Dear Parents and Caregivers

Welcome to Week Four Term One… how time flies! The beginning of the year has certainly started with a bang as we have welcomed our Prep families, joined in a social evening at our Welcome BBQ, celebrated Eucharist at our Opening School Mass, held our parent teacher information sessions, began the 1 to 1 laptop program with Year 4s, had a cyber safety sessions for parents, celebrated Class Masses for Year 3 and 5, Year 3 parents have participated in the Reconciliation information evening, Year 3-7 have started swimming lessons, children are meeting new class mates and enjoying many planned learning activities.

In all this busyness of our school and in the busyness of personal lives have we taken the time over the past four weeks to … ‘Come Live Life’? Have we taken a moment to thank someone for something they did for us or our family, have we stopped and thanked God for the many blessings we have in our lives, have we managed to spent some extra time with family and friends and just taken time to enjoy the simple things in life? Maybe in this coming week, we can take a moment to reflect and think about how we can ‘Come Live Life’.

CARE AND CONCERN
Our school is a very welcoming community and it has been great to receive positive feedback from our new families about how welcomed they have felt over the past few weeks. This is due to our wonderful parent community who go out of their way to say hello and to make the new families feel welcome. Thank you for extending this welcome to all.

As a community it is important that we look after each other and our Care and Concern group are at the forefront of this when our families are in need of assistance. They assist with meals and help out families when dealing with a crisis within their family. Please be aware of this group and know that if you ever need support, the Care and Concern group work confidentially to help those in need. Contact can be made through your child’s teacher, your class contact or the office.

SCHOOL RENEWAL GOALS AND ACTIONS
At the end of term three last year we asked for parent feedback through the survey tool ‘Survey Monkey’ on the four areas listed below. From your feedback and from staff discussions we have formulated our Actions for 2014. These actions are categorised into four areas and support our 2012-2016 goal. These were shown at the P/T evenings and also the P&F meeting last week. A copy of our 2014 can be found at: http://www.stjosephsbardon.qld.edu.au/About%20Us/Pages/School-Renewal.aspx

CYBER-SAFTETY NIGHT
This session by Brett Lee (INESS) was held last night in our school hall. We hope that those parents who were about to attend found this evening useful and beneficial to assist your children in this technological world. Attached to this newsletter is a brief outline of what was covered on the night.

SWIMMING CARNIVAL DATE CHANGE....
THE YEAR 3-7 SWIMMING CARNIVAL WILL NOW BE HELD ON TUESDAY 4TH MARCH. PLEASE MAKE THIS DATE CHANGE IN YOUR DIARIES. WE APOLOGISE FOR ANY INCONVENIENCE THAT THIS MAY HAVE CAUSED.

Prep enrolments are due by 20th March. If you are wishing to enrol your child or know of someone who is, please inform them that Prep Enrolments are due next month. The interview process will begin early in Term 2.

Tomorrow and Friday our Executive Team: Michael Robertson, Louise Busby, Katie Jordan and myself, will be attending the Brisbane Catholic Education (BCE) North School Cluster conference at the Sunshine Coast. For those who could not make the Monday night we have an additional option of a preparation session at the Atrium of the Good Shepherd (Rosalie) on Saturday, February 22nd at 3pm. This preparation session is for both parents and children.

For more information please contact our Jubilee Sacramental Co-ordinator – Jenny Donnelly via email at jend@donnellys.net.au

The tradition of our Catholic Church has been to baptise children shortly after birth so that, from the start, they can grow up within the family of the Church. Occasionally, for many different reasons, a young child misses out on being baptised. Not wanting to diminish the importance of this Sacrament, while, at the same time, wanting to provide some form of preparation so that the child understands what is happening, we have traditionally run a preparation course (for older children) during Lent so that we can celebrate the Baptism on Easter Sunday.

Parents are the first teachers and even more so in the practice of the Faith. If you have any questions please contact Jenny Donnelly, our Jubilee Sacramental Coordinator at jend@donnellys.net.au or talk to Fr Peter. More information can also be found on our webpage: www.jubileeparish.com

Please note: The Parish Office will no be taking any more enrolments after Saturday.

Congratulations on your Jubilee Fr Peter

Father Peter joined us on Monday morning to speak with the school about his Jubilee celebrations and what it has meant to be a priest for the last 25yrs. He spoke of his beginnings in parishes all around Brisbane before putting his hand up to go over to the West Indies for an eleven year stint. Upon his return he was lucky enough to become the Parish Priest for the Jubilee Parish, which St Joseph’s is part of.

Fr Peter was then presented with a special Jubilee Book that had a page decorated from every class in the school. There was even a special picture of him drawn by one of the classes. Looked more like Charlie Brown but got a good laugh from Father.

Fr Peter then joined our staff for a shared lunch with included an array of amazing dishes and desserts. With 10 more months left in his Jubilee year, it doesn’t look like the celebrations are quite over yet.

Cyber Safety – Parent Presentation

On Tuesday night we had Mr Brett Lees (a former police detective) present to the parent body a talk on the issues around cyber safety. This year the Year Four students have access to a school laptop which they are able to keep until they finish at St Joseph’s. The students have earlier had a presentation on what it means to be a digital citizen and what rights and responsibilities go with that. Thank you to everyone who was able to attend the night. It makes us even more aware of how incredible the internet is but also how vigilant we need to be when it comes to connecting to World Wide Web.

Year 3-7 Swimming Carnival

Our school swimming carnival (Years 3 - 7) is being held on Tuesday 4th March at Newmarket pool (Alderson Street, Newmarket). The carnival will commence by 9.20am. The students will swim in age races according to Zone and District regulations which unfortunately sometimes mean students are competing against different class levels. The Prep - Year 2 Swimming Fun Day will be held in Term 4.

All children (Years 3 - 7) are asked to be dropped at the Newmarket Pool no later than 9am. Teachers will be supervising the pool area from 8.30am so please stay with your child until this time. As the 100m race is first on the program, any child swimming in this event is asked to be ready for the marshaling of their race at 9.00am. The children are asked to wear their school sports uniform or suitable sun smart clothing in their team colours. They will require their togs, towel, goggles, swim cap, hat, sunscreen and plenty of food and water to sustain them throughout the day. Reminder it is compulsory for all swimmers to wear a swim cap.

Parents are being asked to donate a gold coin on entry to the pool. This will help the school cover the costs of hiring the pool for the day. Seating for parents will be on the left side of the pool as you walk in the main entrance, on any of the stands near the main waterslide. The children will be sitting on the right side of the pool in their colour teams. We would like the children to stay in the designated colour team areas for the duration of the carnival.

The other swimming areas are out of bounds for all students in Years 3-7.

There will be a canteen operating at the pool for the use of parents only.
The canteen is out of bounds for all students in Years 3-7.

Please understand the Carnival is a normal school day and therefore children are expected to stay to the end of the day - even if their races have completed. When you are leaving the pool please see either your class teacher or Mrs Beavis at the Recorders Tent and have your child’s name marked off their class roll.

If any parents are interested in helping on the day, even for a couple of hours could you please fill in the form provided and return it to your class teacher as soon as possible. The jobs will be timekeeping and allocating ribbons to the kids.

Parents’ Guide to Internet Use

Like the real world the cyber world will never be perfect but parents have the power to reduce the issues significantly

Please Remember...

- The cyber world is a great and safe world; it’s how people use it that creates issues
- My child needs my life skills and adult instincts to help them make sound choices and identify problems
- No program my child will want to use is essential to their development, treat all programs as an added extra, a privilege
- No online decision I make in good faith regarding my children and their safety is a bad one, trust my instincts
- Technology will forever change but our household rules and my protective practices will never change
- Online dangers and responsibilities are real
- Always weigh up the positives and potential risks when deciding what programs my kids can use
- Encourage the use of technology in a public environment; issues are more likely to happen in private
- Everybody in the house knows I am the one who has the final say regarding technology

Every time my child logs on they have access to everything the adult world has to offer - I have to be involved - I may be the only line of defence

1. Always keep lines of communication open
2. Consider monitoring and filtering software
3. Take interest and have active involvement with kid’s internet use
4. Take control of the internet and mobile phone
5. Have firm guidelines, rules and consequences
6. Keep the internet in a public area of the home
