Dear Parents and Caregivers

As sure as night brings day, dawn inevitably brings the timeless cycle of life and death. We take each day as it comes and although we may grumble and complain about the events throughout the day, we still need to stop and be grateful for our lives and for those happy occasions.

Each day in the news we hear of devastation and/or death which turn our thoughts to despair and sympathy for families of those involved. Then we hear from a close friend or relative about a birth of a new one – the miracle of life, or a friend been given a second chance as they have conquered a near fatal disease.

Our days are often full of mixed emotions, as we deal with our own personal lives, and the emotions aroused by frequent media exposure to local, national and global events. LOVE is one of the strongest emotions, one we need to experience daily – whether we are giving it away or receiving it. Many times in giving love, we receive far more than we expected. It doesn’t cost anything, doesn’t attract GST and can therefore we given quite freely!

So spread love around to others!

“Love alone can unite living beings, so as to complete and fulfil them. ...
For it alone joins them by what is deepest in themselves
All we need is to imagine our ability to love developing
Until it embraces the totality of man and of earth’.

Winter Appeal
Thanks to everyone who has brought something in for our St Vincent de Paul Winter Appeal. We have filled lots of boxes and bags and have already sent off one whole boot load of food and have another one on the way. Just a reminder when you are sending food items in:

- Any cans with dints or rust cannot be distributed
- Any item past its use by date or even its ‘best before’ date cannot be distributed.

We are still looking for as many ‘green’ bags or similar to be sent in, so the food can be packed into them.

Australian Government Assistance for National Capital Excursion

Year 7 students from our school have recently undertaken an educational tour of the national capital. While on this tour they participated in a variety of educational programs focused on Australia’s history, culture, heritage and democracy.

The Australian Government recognises the importance of all young Australians being able to visit their National Capital as part of their civics and citizenship education. To assist you (the parent) in meeting the cost of the excursion the Australian Government is contributing funding of $60 per eligible student under the Parliament and Civics Education Rebate program toward the travel expenses incurred. This contribution will be paid directly to the school upon completion of the excursion.

We would like to thank the Australian Government for their support of this program.

Activities undertaken as part of the educational tour are outlined elsewhere in the newsletter.

We hope that the excursion has been a rewarding experience for all students.
June 11 2013

Dear Parents,

As part of this year’s celebration of 75 years of education here at St Joseph’s we will be having a community mass followed by a fun day on Sunday 21 July.

The mass will begin at 8:00am and will be led by the school with as many students as possible given the opportunity to take part. Students are asked to wear their formal school uniform (not sports uniform) during the mass and change into clothes for the fun day afterwards.

Students are asked to be at the school hall fifteen minutes before the commencement of the mass. When they arrive they are to sit in the area they have been allocated during practice or make contact with Mr Robertson and Mrs Zorzetto.

Classes will be involved in:

Preps and Ones: - Gathering Song

Year Three: - Offertory hymn including actions

Years 5&6 Choir: - Thanksgiving hymn and mass parts

Years 2 and 4 (with rest of school supporting):- School song and final ‘surprise’ hymn

Year 7: will welcome our guests and take a leadership role on the morning

The Senior Band will also be playing during the mass.

It is not often we can all gather in prayer and celebrate such a remarkable achievement. This is also an opportunity to come together and promote our school to the wider community. We look forward to seeing you and your family at the mass and then at the fun day that immediately follows.

Yours sincerely,

Carolyn Hayes
Principal

Chess Report

Murray from Gardiner Chess is an awesome coach. This term in his group we have been learning different checkmates.

One checkmate we have learned is Scholars Mate. It is a basic checkmate which is also known as the "4 _move checkmate".

Another one is when you move the Queen and Rook one square above the King and on either side of it.

We have learned special Pawn moves like Promotion (if you get your Pawn to the other end of the board then you can choose to turn your Pawn into anything except a King or a Pawn.) The most common piece to promote your Pawn to is a Queen, because Queens are the most powerful piece on the board. If you are lucky enough to promote all your Pawns during one game you would be pretty much guaranteed to win the game.

We have also learned to En Passant (En Passant is French for In Passing.) En Passant is when you have one Pawn a Knight jump away from an opposing Pawn and the opposing Pawn moves forward 2 squares. You can take the Pawn in Passing. It is a sneaky chess move!

We've been having a competition/tournament for the last 4 or 5 weeks, in which Murray chooses us an opponent to play so we get to use the moves we have been learning.

Chess is for everyone. There are boys and girls from Prep to Year 6 in our group, watch the newsletter for more information if you are keen to join us.

Jasmine Wu (3B)
Year 7 Canberra Trip

Last week we went on our school trip to Canberra. It was a much anticipated experience for all of us and we had a waited all year to go.

Our itinerary was action packed and we had not a moment to spare as we got straight on the bus once our plane landed.

One thing everybody wanted to know was which room we would be in and who we were with. We were each given a piece of paper with our room number on it, and let me tell you there was a lot of screaming.

In the time we were in Canberra we went to many different places, our favourite was the Australian War Memorial. We were lucky to be chosen to do a wreath laying ceremony for the Unknown Soldier in the Hall of Memory. We also placed a poppy next to our soldier we had learnt about on the Roll of Honour. It was a great experience but also very sad.

At New Parliament House we saw Julia Gillard and Tony Abbott during Question Time. It was also very nice of Jane Prentice to come and see us as well.
We enjoyed all the places we went especially Questacon, CSIRO and the AIS.

Canberra was an amazing trip and would like to thank Ms Hayes, Mrs Busby and Mrs Beavis for their preparation and help throughout the trip.

Canberra will be a trip we will remember and treasure for ever.

**DISTRICT ATHLETICS**

The District Athletics Carnival (only open to boys and girls turning 10, 11, 12 or 13 years of age in 2013) is being held Week 4 next Term (Wednesday 31st July and Thursday 1st August) so nominations from St Joseph's for all events need to be finalised before Term 2 finishes. In the last 2 weeks of Term I will be holding trials for field event nominations (shot put, high jump and long jump). You are invited to try out if you came 1st, 2nd or 3rd in a field event at last year's School Carnival. The North West District Committee provides each school with strict qualification rules for nomination of each event. The track events and relay team will be taken from last year's Carnival results. If you have any questions regarding District Athletics please contact the office and they will pass on your concerns.

**WORLD REFUGEE DAY**

Australia has a long history of successfully resettling refugees and humanitarian entrants. Since Federation, Australia has offered a permanent home to more than 750,000 refugees and others in need of humanitarian protection. At least 7% of all Australians have either been through the experience of being a refugee or have a parent or grandparent who has. Offering a new start for people in peril has proven to be an important national building exercise for Australia and these individuals have enriched the nation enormously. Many former refugees are prominent in Australian business, government, education, the arts, sport and community life.

**INTERESTING FACTS**

1. The three major refugee hosting countries in 2010 were: Pakistan (1.9 million), followed by Iran (1.1 million) and Syria (1 million; Government estimate).
2. Three-quarters of the world’s refugees resided in countries neighbouring their country of origin.
3. 44% of refugees and 31% of asylum seekers are children below 18 years of age.

**Thursday 20th June is World Refugee Day**, as part of our school acknowledgement, Year 6 is organising a Free Dress Day. **Students are asked to wear sun safe clothing, enclosed shoes and to bring along a gold coin donation to support the ‘The Refugee Council of Australia’.** For more information about events or the organisation feel free to peruse the website: [http://www.refugeecouncil.org.au/](http://www.refugeecouncil.org.au/)

Thanks
