Dear Parents and Caregivers

SAVE OUR WATERWAYS
Last year I met with Adam from the organisation Save our Waterways Now (SOWN). They were interested to see if we would support their application to obtain a small grant which would enable them to work on the corner of our school which adjoins Rosewood Tce, as this is an area which flows to Ithaca Creek.

We were pleased to hear that they obtained this grant and it is hoped that by the end of the term we will be working with them to clean up this area.

Keep your eye on this space for more details as it could possibly mean a weekend working bee to assist with clearing and the sowing of plants which will assist in the flow to Ithaca Creek.

YEAR 7 to SECONDARY in 2015
Next year will be the last year primary schools in Queensland will teach Year 7 students. From 2015, our primary schools will educate students from Prep to Year 6 while Year 7 students will, for the first time in history, be part of the Secondary School system. This means that next year our Year 6 and Year 7 students will all be given opportunities to experience leadership roles and responsibilities as both these classes will experience their last year at primary school. A letter has been forwarded to all Year 5 and Year 6 families to outline our proposal for this to occur. We ask that these families take the time to read this important information and provide any feedback by the end of May.

STUARTHOLME PERFORMANCE
Yesterday Year 11 drama students from Stuartholme performed a theatre play for our Year 2-5 students. The performance ‘Alright Vegemite’ explored the true meaning of being Australian. The play reflected loyalty, sticking together, respect for the land and the traditional owners of our land and above all, acceptance of others.

We were privileged that Stuartholme selected St Joseph’s as an audience for their play. We thank their drama teacher Hannah Brown and Stuartholme for presenting this opportunity.

NAPLAN TESTING DATES FOR 2013
- 14TH MAY - Language Conventions & Writing Tests
- 15TH MAY - Reading test
- 16TH MAY - Numeracy test
- 17TH MAY – is a catch up day for those who were away during Tuesday-Thursday.

Please ensure your child is at school on time ready for the commencement of these tests.

ABSENTEEISM
With our eMinerva system that was rolled out to all Catholic Schools in 2011, teachers now mark the class roll electronically at 9am and 2pm. Children are marked late if they arrive after 9am and marked as an early departure if they leave before 2pm. This will now automatically calculate into days absent into each child’s report card for the semester.
DISCO FEVER
Our Year 6 and 7 disco held on Friday night was a great success with approximately 300 students from invited surrounding school joining us for the evening. The Year 7 parents did an outstanding job organising the event. Funds raised from this event will assist with the cost of the Year 7 Canberra trip. In particular thank you to the committee who spent many hours planning and preparing for the event. Thanks also to the many teachers who gave up their Friday night to assist with supervision.

From all accounts a GREAT NIGHT WAS HAD BY ALL!!!

75TH CELEBRATIONS
On Saturday evening we look forward to our Bling Ball, an event that marks 75 years of quality Catholic education here at St Joey’s. It will be great to celebrate this special occasion with both past and present parents and staff. We look forward to a night of fun, sparkle and BLING!!

Best wishes, Carolyn

Sacrament of Reconciliation
A small Reconciliation Group will be starting on the 11th May for a 4 week course to be held at the Atrium (under the Parish Office, 333 Given Terrace). Places are very limited and families will need to commit to a 1 hour session from 3.00pm – 4.00pm on each of the 4 Saturday afternoons from 11th May with Reconciliation taking place after the 4.30pm Mass at Sacred Heart Church Rosalie on Saturday 1st June. If you are interested in your child participating in this small group please contact the Jubilee Sacramental Co-ordinator, Jennifer Donnelly at jend@donnellys.net.au or telephone 0402252009.

Any child in grade 3 or over who is baptised Catholic is eligible to participate in our Sacramental Preparation programme and celebrate the sacraments. After this programme, the next Sacramental Programme in preparation for the sacrament of Reconciliation will begin on the 17th of February, 2014.

From the APRE
Anzac Day Mass
On Tuesday 23 April at 9.00am the whole school gathered for a Mass to celebrate ANZAC day. Fr Peter led us in a Eucharistic celebration followed by the ANZAC ceremony. Mr Rob Fowler (Parishioner, St Joseph’s Grandfather and returned serviceman) led us in an opening prayer and the Ode. Following the National Anthem the Year Six and Seven students sang ‘In Flanders Field’ as each class brought forward a wreath and laid it in front of the altar. The Year Seven’s then took the wreaths and laid them in our memorial garden near the library.

New Religion Curriculum
This year we will see the launch of the new Brisbane Catholic Education – Religious Education Curriculum. The curriculum has been written in line with the new Australian Curriculum and has a focus on interactive learning bytes that provide teachers and students with the opportunity to investigate and interact with topics in an online environment.

With members of the Religious Life of Schools Committee assisting me, we have written a school implementation plan that will see us ready to connect and begin planning with the new curriculum by October this year.

Last week we met at our North Lakes Service Centre meeting with Education Officers to plan some example units that we will begin to work with. I will be able to provide more information as the implementation dates comes closer near the end of the year.

**ACTIVE SCHOOL TRAVEL UPDATE**

- The next Star Class Certificate will be awarded to the class with the highest percentage of students who walk to and from school each Wednesday.

- We have been set a target, as part of our involvement with the Council’s AST program, to try and have 40% of our students walking to school on our Active Wednesday. Last month we reached 34% so we need to put a little more effort in. For those who live a distance away from school, park the car a few blocks away from school and walk!!

- National Walk Safely to School Day is **Friday 24 May**. We will hold our regular AST breakfast on this day with muffins, juice, fruit, giveaways and a mystery raffle prize for those students who walk to school. More information will follow.

KM Club
A big thank you to those parents who have been helping on Sunday afternoons. We have had good numbers running and the enthusiastic parents have ensured a safe running environment for all. Thanks too to Mrs Kerr, Miss Leonard and Mrs Rose who helped Mr and Mrs McFadden last Sunday week.

A few reminders…

# Make sure to run consistently. Check your child’s progress.
   You may need to provide some time to go for a run to ensure goal distances are within reach, without a big rush at the end.
# Make sure all kms run outside of school sessions are signed by an adult.
# Intermediate squad members from Year 3 will be permitted to run on the creek run each Sunday.

Please be aware that dogs on the running track can cause accidents and frighten some children.

Some money is still outstanding for KM Club. Please send payment asap.

Thanks and keep running!
Mrs Lamb
This year, 2013, marks the 25th anniversary of St Joseph’s Kilometre Club. During the past 25 years, thousands upon thousands of kilometres have been run, pounded out in countless little steps along the now familiar tracks. If stretched end to end they could circle the world three times over. It’s a magnificent achievement in collective endeavour and it’s a story worth recording.

Kilometre Club grew out of a request in 1989 by then principal, Mr Ed Pender, for a parent willing to help with training the school cross-country team. Peter McFadden’s eldest child came home convinced, ‘You could do that Dad.’

Peter, who enjoyed running, had, after many years’ experience training cross country teams at high school level, conceived the idea of a Kilometre Club for high school boys - with mixed results. Ed Pender however, could immediately see how the idea would appeal to primary aged children.

The Kilometre Club was a very simple and effective way to train cross country runners. It had the advantage of regular training over long distances which built strength and aerobic fitness, as well as sprint or relay work for anaerobic fitness.

But the club’s real appeal was as a fitness programme for the whole school. With the incentive of a medal for effort, thirty children enthusiastically embraced the scheme that first year and the St Joseph’s Kilometre Club was born. Since that year, numbers have increased each year, with 240 (plus) children participating in 2013.

So what is the Kilometre Club? It is an excellent way for children to gain enjoyment from physical activity. It involves a sense of belonging and a shared achievement (celebrated together with a club breakfast and a medal presentation) while at the same time enabling the setting of individual goals (of 20, 30, 50 or more kilometres) and the opportunity to work steadily towards meeting them. Such activity is character forming. It is also community forming - the club has a strong social dimension and the Kilometre Club meetings on Sunday afternoons at Bowman Park, have, over recent years, become “the” place to be.

The Kilometre Club is a cooperative effort of teachers, parents and children. Many many teachers and parents have, over the history of the club, given their time and support to ensure the club is properly supervised. Their generosity has allowed the club to survive and to become such a central part of the fitness programme at St Joseph’s. Special recognition should be given to Mrs Bernadette Skelly who for 17 years has coordinated the club and happily volunteered her time to ensure its smooth running. And then, of course, there are the children without whose enthusiasm and joyous effort the club would be nothing.

As for Peter and Janet McFadden - still fully engaged with the club - they state quite simply, “the club has been our joy for 25 years”.

Right from its beginning the Kilometre Club meetings have begun with a prayer. These prayers have been answered a thousandfold. The club has certainly been blessed.
ST JOSEPH’S NETBALL

St Josephs 1 - Under 12s Div 3 vs AHS 25
This week’s game saw St Joseph’s defeat AHS in a good competitive game. Our girls were very strong in the first quarter but AHS was gaining during the 2nd. There was good defence and goal shooting during the last half of the game and they really worked well as a team spreading out well over the court. The Downey Park vouchers this week went to: Edwina for her great shooting; and Bianca as most improved player.

St Josephs 2 "Jaybirds" - Under 12s Div 4 vs The Gap
The girls tried their best to stop The Gap this week but their opponents were just too strong. To their credit, they played their best until the final hooter and showed Joey’s determination and pride all the way. Player of the week went to Aurora who is showing great potential after only her second game of competitive netball ever! Runner up player of the week went to Milly for displaying courage and persistence in the face of a challenging opponent.

St Josephs 3 - Under 11s Div 2 vs Phoenix 13
The girls played a nail-biter of a match on Saturday! Some good defence and intercepting of the ball kept the game extremely close. Players of the match: Issy & Ruth. Score: St Joseph’s 8 – Phoenix 9.

St Josephs 4 - Under 11s Div 4 vs The Gap
A convincing win to our girls this week against The Gap. The girls are playing well as a team now and showing some very good defence and much improved passing this week. Welcome to our 2 new players who settled in well to the team. Player of the match was Ruby for her excellent shooting and passing in the circle. Great game girls! Joeys 7; The Gap 4.

St Josephs 6 - Under 10s Yellow vs Raiders
It was a very tight game. The ball moved all over the court with great defending and intercepts by Nippers Yellow. They kept the Raiders girls under pressure throughout the game and there is obvious improvement in our girls every week. Well done everyone.

St Josephs 7 - Under 10s Orange vs Aspley
St Josephs 7 Orange caused another upset continuing with their winning streak. The girls shared the ball around with excellent passing. They have been playing with a higher goal post for the first few rounds but that has not stopped the shooters from scoring goals straight the middle of the ring. Always showing a competitive spirit this team will go far this year. Congratulations to Emme for player of the match and a special thank you to Amber (Lucy’s mum) - for stepping in for our super coach Morgan. Well done to all on and off the court.

St Josephs 8 - Nippers White vs Raiders
Another great game from Nippers White who showed that those early Friday morning training sessions have certainly paid off. Excellent defence was displayed by all players on Saturday which made our coach proud. Great passing in and around the circle enabled our girls to retain good control of the ball in our attacking third. Some very accurate shooting showed that playing on full size nets do little to intimidate our Nipper team. Keep up the fantastic work Nippers White!

St Josephs 10 - Nippers Rose vs Vipers 8
The Nippers Rose team were up against some experienced and tall competition again on Saturday but they weren't deterred, they moved around the other team and had some nice passing runs back up to their goal. There was also some great defending around the opposition goal circle.
