

By Lila and Audrey

In 6B we are going to share our spotlight leadership moments each fortnight. This morning we had fun helping Kilometre Club by organizing the vests and helping with warm-ups. On Tuesday next week we are participating in the Anzac liturgy to show appreciation for the soldiers who fought for us. In class we are each researching an Australian soldier, their role in WWI by risking their lives for us. There was much excitement as we tried on our jackets, beanie and scarves.
