

## By Indiana and Jack

On Thursday Year 6 went on an excursion to the Museum of Brisbane at the City Hall. We visited some very interesting exhibits including Mao's Last Dancer. Not only did we learn about his life, but also his migration to Australia and his role as the Artistic Director of Qld Ballet. We also had an exciting time making kites in a similar way to what Li Cunxin did as a child and in his novel The Peasant Prince. We made our kites with bamboo, wool and tissue paper and tied paper wishes to the tails of our kites.

Another exhibit we visited was 100% Brisbane where we learned about the history of Brisbane and its people. Next, we toured the clock tower.

On Friday, the whole school took part in was cross-country. This was our first cross-country as year 6 leaders. We had an amazing time cheering, running and helping the preps for their races. It was a wonderful day and we thank everyone for participating in this event.
