

By Sophie and Lilly

This week, the Ashgrove Library asked the Year 6 students to create artwork for the library walls for Book Week.

We based our artwork on one of the three chosen books, BOY, Florette and The Sloth who Came to Stay. Florette is about a small girl who moves to Paris and misses her garden until she finds a shop called Florette and she re-creates her own garden. The Sloth who Came to Stay is about the speediest family in the world until they have to slow down to cater for the pace the sloth moves at. This makes them take a look at the world and appreciate life when a sloth comes to stay. BOY is about a boy who was born with no hearing but changes his kingdom for the better. We all loved these books and enjoyed creating these pieces of art. It made an interesting change from studying Michael Morpurgo's War Horse and Kensuke's Kingdom – which were also fantastic novels. We are now looking forward to a well-deserved two-week holiday.
