LEADERSHIP LANE

By Lilly and Jack

On Friday 27 July, five students were invited to St Stephen's Cathedral for the 2018 Inaugural Youth rally to participate in the choir. This choir consisted of students from many schools throughout Brisbane. The Mass was to celebrate the beginning of Catholic Education Week.

For the past two Fridays, Grade three, four and five participated in a range of “friendly” sports competitions against other Catholic Schools in the region known as Gala sports. Each grade focused on a different sport with grade three playing AFL, grade four playing soccer and grade five playing netball. They were fantastic days and the students were able to hone their sporting skills.

Year 6 Students are getting very excited about their Canberra trip, an education tour of the National capital, in week 6 of this term. Students will be given the opportunity to participate in a variety of educational programs that focus on Australia’s history, culture, heritage and democracy. “The Australian Government recognises the importance of all young Australians being able to visit the national capital as part of their Civics and Citizenship education. To assist families in meeting the cost of the excursion the Australian Government is contributing funding of $60 per student under the Parliament and Civics Education Rebate program towards those costs. The rebate is paid directly to the school upon completion of the excursion.” (https://www.pacer.org.au/guidelines/)
