

By Lily, Connor and Sophie D

On Friday, St Joseph's will have their Talent Show. Over the last two weeks, Year six had the opportunity to work with the acts that are performing in the Talent Show. We have been helping these performers and we are very proud of their improvement and dedication to this year's Talent Show. We think this year it will be a real show stopper.

Last Tuesday our St Joseph's Choirs and Dance Troupe performed. On Wednesday night, we had the piano and guitar students and the Band and String Ensemble perform in the Hall. Everyone involved with the performances worked very hard and it was appreciated by the audiences. Many thanks to all the teachers who have been involved in helping us throughout the year.

On Tuesday afternoon, we had two Gold Coast Life Savers present to the entire the school. They taught us about beach safety, the different types of flags and signs and dangerous sea life.
