A Message from Fr Peter

If you watched the Reds game last Friday night or certainly the Lions match at the Gabba last Sunday you would have heard the word “spirit” tossed around as the commentators waxed lyrically about the determination and teamwork which produced such, let’s face it, unexpected results. And while the word “spirit” is used freely to describe an essential ingredient in any sporting success we also apply it liberally to the achievements of graduating classes at the end of year or any activity that requires cooperation.

This weekend the Church will also speak rather freely about “spirit” as we celebrate Pentecost – the coming of the Holy Spirit upon the disciples 50 days after the resurrection. For the “Holy Spirit” to be more than a sporting metaphor or a teamwork requirement it must somehow be real in our lives and an impact on our Church. What is our experience of the Spirit here at Jubilee?

For me, in the midst of all the questions, frustrations, disappointments, scandals and fears there is evidence of an abiding presence. I find this presence in prayer, in the celebration of the sacraments, especially our Sunday Masses at Bardon, which are moments of real encounter with God. When the central focus is on God, in Christ, everything else comes into perspective.

That perspective is clearly seen when ordinary members of our Jubilee Parish live the Gospel day by day, seeking to do what is right, quietly helping those who are struggling or are feeling overwhelmed. It can be easily seen through the lives of those who are involved in our local St Vincent de Paul society, Care and Concern groups, Food Barn, Refugee Support Group or the myriad of other ways that we reach out to those in need. That courage to be involved and engaged is the Spirit working in our midst!

I think of our fellow parishioners who remain active and involved in our Parish even when sometimes their gifts and ministries are not fully appreciated. Those fellow parishioners who are present each week and support the church despite being marginalized by the rules of the day. I see the Spirit at work in the lives of young people who ask the honest questions and will not settle for trite, watered down or easy answers. I see it every day in our older parishioners who hunger for the Mass and prayer. Most of all I see the Spirit in our Jubilee families who blend a strong traditional Catholic faith with a solid commitment to action on behalf of the needy and the voiceless in our community.

As a human community, the Church and our Jubilee Parish are not perfect. In many ways it resembles an earthen vessel, fragile, perhaps cracked or damaged, that carries within it the precious treasure of Jesus Christ. That treasure is seen in our encounters with individuals and friends, through the weekly celebration of our Sunday Mass, the ministry of our Parish School, and the quiet witness of those who reach out to others in need. That’s where I see the Holy Spirit in our community and in our church.

Pentecost enables us to recognize what is good, what is right, what is ethical, what is true and of lasting worth that guides us on our lives’ journey to God. It is the Holy Spirit that enables us to recognize and celebrate our connectedness to God and to one another. So while we might have been taken by surprise at the results of the Reds and Lions match we should not be surprised at what the Holy Spirit is doing in our own lives and in our own Jubilee community.
Principal’s Welcome

Dear Parents, Caregivers and Community Members

A question that Fr Peter posed in his opening reflection….What is our experience of the Spirit here at Jubilee? On personal reflection of my relatively short but very fulfilling time with this community, I too see, hear and feel the Holy Spirit working in wondrous ways every day here at St Joseph’s. It is evident to me through my interactions with students, staff and parents alike. The gift of the Holy Spirit is seen in the daily compassionate choices made that reflect our school motto of humility, care and respect. It is our Christ centred learning community and our connectedness to the Holy Spirit that enables us to be the face of Jesus to one another.

As we look towards 2016 and beyond, I have taken time over the past few weeks to meet with some of our current Year 3 and 4 parents. St Joseph’s is a Prep to Year 6 school and it is both my goal that upon enrolment of students to our school that we have both the pleasure and gift of nurturing, developing and supporting these learners on that primary school journey. Thank you to the parents who have let me know their intentions for 2016. With this knowledge, we currently have a possible 53 enrolments for Year 4, 41 enrolments for Year 5 and some families undecided. With these numbers I can plan for 2 definite classes for both Years 4 and 5 and I am confident that these numbers will grow as the year progresses with the possibility of 3 classes of Year 4. The majority of our new families coming to Prep in 2016 see St Joseph’s as the place for their child’s full primary education as we provide equity and excellence in primary education.

In the coming few months and over the school holidays, the following work will occur:

- Permanent outdoor furniture will be installed outside Year 3 and 4 classrooms as well as outside our staffroom.
- External painting of some of our block walls.
- A safety fence will be installed around the car park near the back of the Church, separating the car park from the walk way.
- The oval will have landscaping, hedge planting and the installation of an “amphitheatre” style block wall.
- The creation of a sensory garden for our Prep and Year 1 play space.
- Installation of permanent theatre lights in our Hall in preparation for our Musical.
- A collaborative art project will begin on our Oval Block Wall that promotes our Positive Behaviours for Learning.
- Repairs to Hall re: leaking concerns.
- Upgrade of the collaborative space where we currently have Junior Choir, Staff Meetings, P&F meetings etc.

Today I met with our Architects and Brisbane Catholic Education Representatives from Building and Planning to continue planning for future development of our school. As you can see, there are numerous improvements happening in our school and it is a very exciting time.

Reflecting back on Week 5…..

This week we welcomed back Mrs Amy Luscombe to our school community. It is wonderful to have Amy back with our school community as she has been missed. It was announced on Monday to our Prep G families that Mrs Teresa Jirasek will be continuing to support our school community every Thursday and Friday in a Curriculum Leadership capacity. Mrs Bern Jones will continue as Prep G teacher whilst Teresa takes on this role. Both ladies are extremely experienced and will be in close communication to ensure continuity of learning for the Prep G students. Teresa’s position will benefit our whole school community as she joins the Teaching and Learning Team to strategically plan and lead equity and excellence in education.

Unfortunately due to rainy weather the QC Netball Cup was postponed on Monday. It will be rescheduled for Monday 1st June (to be confirmed by Queensland Catholic Netball Association).

At our Monday assembly we recognised Lula C who came third in the Jamie Oliver’s Italian competition. Her amazing pasta recipe will be available in every Jamie’s Italian restaurant in Australia as a special for one week. Lula has won a school visit from their Executive Chef who will help her cook her pasta dish for her whole class to enjoy. Our very own Master Chef in our midst! Well done Lula on this amazing achievement.

On Tuesday, Amy and Sam Lucey participated in Parent Portal Training with Brisbane Catholic Education. The launch of our Parent Portal is planned for Semester 2 this year. This exciting next chapter will ensure more effective and efficient communication in an online context. This Parent Portal will only be accessible to current parents and therefore will assist with privacy. Our St Joseph’s website will be a platform for the marketing of our school to prospective families.

Congratulations to all our students who participated in the Zone Cross Country event on Wednesday. Their behaviour was exemplary and their efforts are highly commendable. Please see report by Christie Lewis further in the newsletter.

Yesterday, I met with Roycelyn Wilden (Principal – St Ignatius) and Lesley Lavercombe (BCE representative) to interview for our Guidance Counsellor position. We had a very strong field and it is my hope the successful applicant can begin in the very near future.

I am really looking forward to our Movie Night this Saturday. Thank you to Jason Cooper, Evonne Martin and their incredible team of helpers who have been working tirelessly in preparation of this exciting event. The students have been working enthusiastically to complete their creative contribution of “Shining Your Light” movie trailers….it will be a true celebration. Please come along and support this fabulous, fun time. I will see you there.

May we all continue to let our light and spirit shine.

Pentecost

This Sunday is Pentecost which marks the end of the season of Easter. It will be 50 days since the resurrection of Jesus. At Pentecost, the Holy Spirit came and filled the followers of Jesus with the gifts of wisdom, understanding, right judgement, courage, knowledge, reverence and wonder. These gifts empower and enable us to give witness to Jesus Christ. The colour of Pentecost is red. Our Parish will celebrate Pentecost on Sunday at the 8am Mass and we will celebrate as school on Monday’s assembly.

Mini Vinnies Winter Evening

Three major themes run through scripture and Catholic social teaching. One core theme is that each human person is made in the image and likeness of God and has an inalienable human dignity and worth. As a Catholic school, we have a responsibility to teach and demonstrate this to our students every day. One way in which we do this, is through social action and justice activities. Social action and justice requires two important dispositions: empathy (the capacity to stand in the shoes of another) and solidarity (capacity to walk with another). Our upcoming Mini Vinnies Winter Evening aims to provide our students with a sense of empathy and solidarity for those who are marginalised in our community, in particular, the homeless. I encourage your family to support this educational and experiential evening. Please see the flyer later in this newsletter for further information.

Year One Mass

On Tuesday 26th May our Year One students and teachers will gather in the Church at 9:00am for Mass. As always we welcome families to join us for this time and encourage you to sit with your student at these Class Masses as it is important for our students to see the adults in their lives pray and participate in Eucharistic celebrations. The focus of this Mass will be the coming of the Holy Spirit at Pentecost.

Community Prayer

Our next Community Prayer will be held on Friday 5 March at 8am in the Church. As this coincides with the Mini Vinnies Winter Evening, we will pray for the needs of those marginalised in our community including the homeless. Our Year Six students will be leading this sacred prayer time.

Come Holy Spirit, fill the hearts of your faithful and kindle in them the fire of your love. Send forth your Spirit and they shall be created. And You shall renew the face of the earth.

MUSIC NEWS

Why teach music in schools?

‘…….there appeared to be a very strong degree of association between participation in music programs and activities and increases in student self-esteem/self-image. It would appear, based on these studies, that music can significantly increase students’ self-esteem. ‘ extract taken from “The Value of Music Education” compiled and edited by Bruce Pearson.

Choral Festival News

Our Year 5 students are busily learning some of the 21 songs that will be performed at our combined school concert on Tuesday 15th September at 7.00 pm at Francis Xavier Primary School, Goodna. Mark your calendars and diaries for this date – one not to be missed. The Year 5’s will be travelling by bus to their first choir rehearsal on Wednesday 3rd June where they will be meeting the other 10 Catholic primary school choirs. A travel permission form will be sent home soon.

Year 3 and 5 choirs will be performing tomorrow afternoon in the hall at 2.15pm. All are welcome to come along.

Aladdin Trouble is well into rehearsals with students working well in their groups of drama, chorus or media and art. Thank you to all teachers involved in this wonderful experience for the students.

Stay tuned

Vinnies Community Sleepout - 22 June 2015

The local St Vincent de Paul conferences are proud to be hosting the first ever Brisbane West Community Sleepout. On Monday, 22nd June, participants will be sleeping out and experiencing homelessness for one night at the GPS Rugby Ground, Ashgrove. We have a broad range of local teachers, business and community people who are taking up the challenge and sleeping out with us. Amongst them is our very own Father Stanley who will be representing Jubilee Parish. With the help of our sleepers we aim to highlight the issue of homelessness within our own community and help those at risk. It can be hard to imagine that there are people around us who need this kind of help. As an example in a typical fortnight volunteers from our conference visit up to 60 families, couples and singles at risk in Paddington, Red Hill, Ashgrove, Bardon, Newmarket and Kelvin Grove suburbs. Family breakdown, domestic violence, prolonged illness and sudden job loss are common amongst those we assist.

WE NEED YOUR HELP! You can support the Sleepout in two ways:

• Support Father Stanley’s Sleepout: donate to Father Stanley’s page online: http://goo.gl/zI7vtA or pop a donation into a specially marked envelope in church this weekend. (All donations over $2 are tax deductible.)

• Signup to Sleepout: Experience it for yourself, registration is free and all members of our local community are invited to participate. Visit http://brisbanewestcommunitysleepout2015.gofundraise.com.au/ or alternatively contact Richard Robinson 0434 072049, Alison Nicol 0421365585 or Chris Cahill 0408560039 for details about the event.

A big thanks to local community members that have signed up already, including: Tom Forbes, Biarri; Graeme Chamberlain, Ashgrove State School; David Phillips, NAB Ashgrove; Susie Berkhut, Payne Road State School; Kurtis Pirotta, McGrath Estate Paddington, Cathryn Lloyd, Maverick Minds; Stuart Pullar, Mortgage Choice Ashgrove; Paul Blundell, St George Bank Ashgrove; Study Ninjas, Angela McGinniss; Tegan Welsh, Ashgrove State School and Timothy Cotter, St Peter Chanel Primary School, Lachlan Hastings, Premier Insurance Broker, Helen Henrich, Payne Road State School.

SPORTS NEWS
Zone Cross Country
Congratulations to the 51 boys and girls who represented St Joseph’s Bardon at the Zone Cross Country yesterday. A special mention to Asher P (1st), Will C (2nd) and Ella C (1st) who placed in their races, fantastic work. Also, a big thank you to the seven Year 4 Intermediate boys who ran up in the Senior division for the St Joseph’s team, great team work.

Well done on a great team effort, Mrs Lewis was very proud of you all.

ACTIVE SCHOOL TRAVEL

THIS FRIDAY – NATIONAL WALK SAFELY TO SCHOOL DAY!
Walk Safely to School Day (WSTSD) is an annual, national event encouraging all primary school children to walk and commute safely to school on Friday 22nd May.

Walk Safely to School Day asks that we all consider our transport habits and try to incorporate more walking as part of a healthy, active way to get around. You can teach your child the healthy habit of walking more by:
- Walking with them the whole way to school
- Parking the car a few blocks away from the school to walk the rest of the way.

Join us on our Friday Morning Walking School Bus for the walk from Bowman Park to School. We will be leaving from the hut near the playground closest to the school (where the afternoon WSB finishes) at 8:10am.

Remember, Active Kids are Healthy Kids so get planning your own Walk Safely to School Day journey.

SCOOTER SKILLS SESSION – 2ND JUNE
Brisbane City Council is offering Year 1 to 4 students a free, one-off 90 minute scooter skills session with a professional coach. The course will be conducted at school, in school time on Tuesday, 2 June 2015 at 8.45 am.

A brochure with more information and a permission slip will be sent home with all Year 1 to 4 students tomorrow, to be returned to the office by Thursday, 28 May. Places are strictly limited to 50 so please be quick if you don’t want to miss out!

The Joey's Garden
For the past two weeks, some students in grades 4, 5 and 6 have been spending their Tuesday and Thursday lunch times working in the garden. They're off to a great start and have already planted marigolds, lettuce, snow peas, rocket, coriander, cabbage, cherry tomatoes and more.

While these plants continue to grow, they require our full attention. Some jobs that students do in the garden include watering, fertilizing and harvesting. Once these plants are ready to be harvested, they will be wrapped in bags ready to be sold. Be sure to keep reading the newsletter for more information. Thank you.

Team News – Round 4

St Joseph’s 1 – U12 Gold (Div 2) v Pine Hills 16
Pine Hills lined up with tall shooters which concerned our defenders and spectators alike. With one shooter off sick, we had to show our adaptability and switch Chloe from defence to goals. Her performance did not disappoint, and like last week our shooters (Rose, Claudia & Chloe) worked the ball beautifully in the goal third and shot with precision. Lily, Ella and all dominated the centre court and we came away with another strong win. St Joseph’s 47 – Pine Hills 8

St Joseph’s 2 – U12 Brown (Div 3) vs St Margaret’s 8
A big win for the girls today which was just what was required in the confidence stakes. The girls were able to use a lot of the skills and tips from Coach Alyce to confidently move the ball up the court and straight into our goal circle. Some good passing and great goal shooting and a fun game!!

St Joseph’s 3 – U11 Gold (Div 2) v St Margaret’s 9
With a lovely surprise visit by Ms Lorenzo, the girls were keen to show off their skills. Having had some extra practice under their belt from Gala Sports as well, the girls demonstrated some good passing and defence, particularly in the last two quarters. Alas, St Margaret’s proved the stronger team, but we look forward to a good chance over St Margaret’s next time around

St Joseph’s 4 – U10 Blue vs St AHS 45
It was an exciting and fast-paced game, with AHS able to quickly convert many of their goal opportunities into points on the board in the first quarter. Our girls kept cool and fought back valiantly for the remainder of the game, with the result that both teams were fairly evenly matched for the final three quarters. In particular, our defenders maintained remarkable stamina, and the attacking players showed great assertiveness. Overall, it was an action-packed and fun game that resulted in a win for AHS 9-4.

St Joseph’s 5 - U10 Orange v Flugel
It was an exciting game to watch. It was the first time that our girls had to use the tall goal posts. It took our shooters a few attempts to get the ball through, but there were some great goals in the end. Well done for giving it a go! Just have faith in yourselves because you have shown that you can do it! The girls were tiring in the 4th quarter, as they all played a full game. But, they didn't give up, and in the end it was a great win to St Joseph's!

St Joseph’s 6 - U8/9 Red v St Margarets
Without Alissa the master coach, the feeling going in to this game against the professional St Margaret’s was one of nervousness. However we were pleasantly surprised to see our girls perform magnificently with a polished performance from attack to defence. It was especially pleasing to see the improvement in the goal circle defence from the first quarter as well as some clinical goal shooting. One of the comments on the sidelines sums it up. "That passage of play was reminiscent of the Firebirds last week". Keep improving girls!

St Joseph’s 7 – U8/9 Green v St Margarets 15
The girls had a great game again this week. They were passing really well, spreading out more across the court, did some great intercepts and scored lots of goals! So brilliant to see how much they are improving every week.

St Joseph’s 8 – U8/9 Maroon v Phoenix 19
By second quarter the girls had found their rhythm and showed a big improvement in passing and getting the ball down Joey's end. Their accuracy in shooting and understanding of the game is getting stronger each week. Great teamwork girls, you are a delight to watch!

St Joseph’s 9 -U8/9 Purple v Raiders 37
"Fun, awesome and even better than last week" were the words used to describe this week's game by our team, and I couldn't agree more. The sideline cheered at some amazing defence and passing moves by our clever girls who were up against tough and tall opposition. Every week, quite suddenly and often by surprise, each of our girls bust an amazing move that takes our breath away. We simply can't wait till next week.
