Dear Parents and Caregivers

Tomorrow our school community will celebrate School Tree Day. Yesterday an invitation was sent home outlining the special assembly beginning at 8.35am tomorrow. Hon Dr Steven Miles, Minister for Environment and Heritage Protection and Minister for National Parks and the Great Barrier Reef, will be part of our celebration and will plant a tree. A class representative along with a parent will be planting our oval hedge in partnership. Cate Clifford, our P & F President, on behalf of the parent community, Sam Lucey, on behalf of our staff community and Rob Fowler, on behalf of the Jubilee Parishioners, will each plant a tree also. Together, as a Christ-centred learning community, we will celebrate our role as Christian stewards of creation. Fr Peter will be blessing our new Amphitheatre and garden space. Later in the day, each year level will be given a garden space to plant. I would also like to acknowledge and thank “Australand” for supplying labourers to improve the gardens around the Church as part of School Tree Day. I would like to thank and acknowledge the wonderful work of Bruce Lindgren from Eco Mini Excavation for redeveloping our oval space and creating new garden spaces as part of our 2015 Master Plan oval improvements.

Today I attended the Prep excursion to Lone Pine and then this afternoon travel up to Underwater World to share dinner with our Year 4 students, teachers and parent helpers. I am really looking forward to this opportunity of sharing these learning experiences with the children.

Today a parent survey regarding strategic resourcing will be made available online through our Parent Portal. I welcome parent feedback about specific resourcing initiatives to ensure our school funds are spent strategically as we strive for excellence and equity in education at St Joseph's. This is the first time we have used this feature of the Parent Portal and we look forward to seeing how it works. https://extranet.bne.catholic.edu.au/parent/stjosephsbardon/ourschool/Lists/Strategic%20Resourcing%20Survey/overview.aspx Alternatively, log onto the Parent Portal, go to My School, click on Surveys on the left hand side, click on Strategic Resourcing Survey and Respond to this Survey.

At present, I am working with our Leadership Team to prepare the work for our External Review. This is an extensive review which requires both staff release and the leadership team off line to complete a number of detailed reports and reviews. The review will be on 3rd September 2015. Next week I will be asking for your assistance in completing a second survey in relation to the past 6 months of our 2015 school year. Parent feedback is invaluable and I would ask for the generosity of your time in please completing this survey. This data will assist in reflection for our review and aide in our future planning. I will continue to work in partnership with the Leadership Team in the coming fortnight to complete lengthy requirements for this review process.

Next week, we have a wonderful week of celebration planned to celebrate Catholic Education Week. Mrs Amy Luscombe has done a fantastic job on ensuring we celebrate our unique Catholic Identity and Ethos along with particular focii on Social Action and Justice. An overview of all the events was sent home on the front of the invitation to the National Tree Day special assembly.

Yesterday afternoon, I worked with our professional learning community on our continued school goal of developing a common understanding and language of learning. We reviewed John Hattie’s meta-analysis into what actually works best in schools to improve learning. Our positive teacher impact on learning and how we are maximizing learning progress for each child is our major objective. In the coming week, our teaching staff will be very conscious of their own language of learning used with students in the classroom. Learning Intentions and Success Criteria will be evident in our instructional leadership. I will be completing ‘walk throughs’ of classrooms where I will be asking students 3 focus questions:

1. What are you learning? (Learning Intention)
2. How are you going? (Success Criteria and Effective Feedback)
3. How do you know? (Success Criteria and Effective Feedback)

We are conscious of dispositions for learning and considering the 5 Key Messages of the visible learner: knowing thy impact, effective feedback, creating conditions for making learning visible and inspired and passionate teaching. Next Tuesday, Peter Miles, our external Behaviour Support Expert, will be completing a ‘walk through’ of classrooms to look at behavior support styles in classrooms. Peter will be working with our professional learning community to fulfill our goals and strengthen our Positive Behaviour Support Plan.
On Monday’s school assembly our school community were introduced to our Student Council. Thank you to Mrs Amanda Gardiner and Mrs Simone Bannan in their leadership of this team in partnership with Mrs Luscombe and I. One of their first initiatives will be to lead our Together Tuesday: whole school picnic during Catholic Education Week. We also acknowledged and congratulated our Age Champions and Runner Ups from our Athletics School Carnival. Please see Mrs Lewis’ report later in the newsletter for the full results. Congratulations to our Yellow team for their incredible efforts!

At our next Monday assembly, Mrs Lewis will be giving each year level a set of colour-coded sports equipment for use as part of their classroom Health and Physical Education lessons and playtime activities. A set of portable basketball hoops, which will be used on one of the tennis courts, has also been purchased. We would like to acknowledge the P & F for their generous donation of this valuable sports equipment.

On Wednesday 5th August 2015 from 7.00-8.30pm Jennifer Mason from “Life Work in Progress” will facilitate a Parent Information Evening for parents of students in Years 5 and 6. The purpose of this evening is to allow parents and teachers to have full access to the information and resources that Jennifer will be using during the forthcoming Personal and Social Development Education session’s students will participate in: Year Six – Tuesday 11 and 25 August, Year Five: Friday 21 and 28 August. These sessions will focus on the normal emotional and physical changes that young people go through puberty. Jennifer’s work in schools is endorsed by Brisbane Catholic Education.

Staff Updates: I am pleased to announce Mandy Hodge as our new Finance Secretary. Mandy will commence work later in August. Class teachers Michelle Johnson and Meghan Bach will both be on maternity leave for 2016. We congratulate Katie Andresen and Sharron Dale. Both ladies will be transferring at the end of 2015 and we will acknowledge and farewell these staff at the end of this school year. We welcome Anthony McGibbon and Julia Bell to our school staff for 2016. Enrolments for 2016 are strong and I am so pleased to see that St Joseph’s continues to thrive and grow as a welcoming learning community.

Early in August, $30 000 of Lighting and Audio equipment will be installed in our Hall in preparation for the upcoming Musical. School Fee Funds will pay for this improvement. Our 300 Hall chairs have arrived and the trolleys will be here in another fortnight. We are in the process of looking at quotes for the upgrade of the Hall kitchen. Thank you again to the P&F for their work in securing this funding.

Yours in education
Fran

Dear Parents

We will be celebrating Book Week this Term in Week 9. We will be celebrating in many ways during that week with an author visit, art and craft activities, a Readers Cup and a whole school Book Character Parade. This Parade will conclude our Book Week celebrations.

All students need to come to school on Friday the 11th September dressed as a book character. Choices can be anything from a character from a children’s book, the Book Week theme of Books Light Up Our World, an actual book or something from one of the shortlisted titles. Costumes can be a full costume, a decorated hat or mask.

A full list of the Shortlisted titles can be found on the Library display window.

I look forward to seeing our school dressed up for this special event.

Kind Regards
Amanda Gardiner
Teacher Librarian

Hello Parents

The Library would love some more LEGO to build up our very small supply. If you have any at home that is no longer needed or used, would you consider donating it to us here in the Library. We have lots of very eager learners wanting to create some exciting models. We would prefer the LEGO rather than DUPLO, however we will accept both.

Many thanks
Amanda Gardiner

Music News
‘Learning to sing changes the way your brain works and it is never too late to start. Understanding just how remarkable it is to sing – to simultaneously and unconsciously manage pitch, rhythm, timbre, tone and dynamics – is an amazing human ability.’ extract taken from New Scientist, February 2008.

Coffee Anyone?

Through a generous donation from Andrew and Carolyn Keogh and family the P&F will soon take possession of a commercial 2 group coffee machine and grinder on a wheeled trolley. We would like to start providing a hot drink service in Term 3 to parents, friends and staff of the St Joseph’s Community.

To do this we need volunteers to assist in making coffee.

Full training will be provided and there will be lots of practice opportunities before we go ‘live’.

If you are keen to reinvigorate or learn new ‘barista’ skills, please send an email to Cate Clifford at catec@bigpond.net.au or call 0408 627 330 for more details.
DON’T FORGET THE DOUBLE HEADER THIS Saturday 25th July AND Sunday 26th July
Should teams need to forfeit either game please email chantelle@davesons.com before Thursday lunch-time.

St Joseph's 1 – St Joseph’s 1 v Samford 12
Our girls went out confidently and played a strong first quarter. The teams looked well matched and our girls played solidly in the centre third. However, precise shooting gave Samford the win. St Joseph’s 11 were defeated by Samford 31

St Joseph’s 2 – BYE

St Joseph’s 3 – U11 Gold (Div 3) v Vipers 9
It was a tough morning. The cold and windy weather made for unkind playing conditions, and a tall and in-form Vipers team (who perhaps had some cameo appearances from the Firebirds) saw our girls defending for most of the game. Regardless, our girls held their heads high and keep their determination for their next game. Never give up and keep fighting!

St Joseph’s 4

St Joseph's 5 Under 10 Orange vs The Gap 44
The girls are getting better and better each week. Although we didn't have a lot of luck with our shooting, apart from a few excellent goals, the girls were breaking in front of their opponents and showing great skills with the centre passes. There were some amazing intercepts and some tight defence, especially in the goal circle. The Gap, however were too strong.
Looking forward to a double header this weekend!

St Joseph's 6 - U9 Red v Phoenix
After missing out on training last week due to the athletics carnival plus the winter holidays, the girls were understandably slightly rusty this week. However as always they tried their little hearts out and produced passages of slick passing and accurate shooting to go with some tenacious defending. With next weekend being a double header I’m sure this will produce consistency for the full 40 minutes and we will be back to our formidable best.

St Josephs 7 (8/9 Green) v The Gap 53
An enthusiastic start to the term this week from all the girls. The flow of the ball down the court proved that St Joey’s teamwork was at an all-time high and even the cold air couldn’t dampen their enthusiasm. Everyone has improved so much since the beginning of the season – we can’t wait to see what the rest of the season brings. Go Joeys’!

St Joseph’s 8 U8/9 Maroon vs Valleys 34
Braving a very chilly morning the girls brought their unwavering enthusiasm to the court once again. They put in a great effort against a strong Valleys team and took every opportunity to intercept the ball. Well done girls!

St Joseph’s 9 - U8/9 Purple v Phoenix 20
Move over mums, the little ones are taking over their own game! Tidy pig tails and clean uniforms were demolished as our golden sprites flew across the court. Simply smart play, amazing passes, unrelenting defence and huge smiles. Soft voices BOOMED out shouting for the ball and they literally threw themselves into every opportunity! With only 2 more weekends left in the season, it seems the girls are on course to go out with a bang!
