Dear Parents and Caregivers

Thank you to our parent community for your generosity in completing our 2 online surveys. This critical and constructive feedback does provide valuable information in guiding our future planning. I have also enjoyed the opportunity to share all the possibilities when considering our Master Plan 2016 – 2020. These conversations have been very positive to continue to develop our collaborative partnerships. Parents are essential stakeholders in our St Joseph’s community and your feedback is always considered and appreciated. I look forward to meeting with parents who are available tomorrow from 2.00pm in our “STAR (Students, Teachers and Representatives) Collaborative Space”.

Master Plan conversations times for next week:
Monday 17 August: 3.15pm to 4.00pm and Wednesday 19 August: 7.30am to 8.30am

Our Student Council have started and their student voice is active in planning ideas for our school. One of their first accomplishments was to name our Collaborative Space. Their ability to work as a team, listen to each other, negotiate and problem solve is pleasing to witness. They are bright and full of creative, innovative ideas to improve our school.

NAPLAN results for Years 3 and 5 have been sent home. In 2015, St Joseph’s results were again outstanding. We were above the state mean in all areas across both year levels.

Preparation for our Musical is going full steam ahead. Mrs Zorzetto as our director and producer is doing an amazing job. The students will certainly shine on the night. Today and in the coming weeks will be much communication about the co-ordination of these 2 performances. Please read through this information carefully. Today, our Media Arts team had a one on one session with a Sound and Lighting Technician who showcased our wonderful newly installed system in the hall.

Thank you for your commitment in accessing our new Parent Portal. The statistics of its usage is very impressive for such a short amount of time with over 11 262 page views within the first month. 284 Active Accounts which is a great responses as there is only 274 families in our school! Please give Mrs Lucey a call in our office if you need any support.

On Tuesday, I was extremely impressed with our whole school community’s response to our Lock Down practice. For your information, if you are on school grounds when a lock down occurs, you are asked to go to the closest classroom immediately and listen to our staff members’ directions.

Today, our Visible Learning team have been released from class to work with Kate O’Neill, our Education Officer, Mrs Luscombe and I to develop our whole school plan. This is a further response to our identified school goal to develop a common understanding and language of learning.

Tomorrow, our Year 6 Senior Band will be participating in the Queensland Catholic Schools and Colleges Music Festival at Villanova. Thank you to Mrs Linda Pendrith, Mrs Rosemary Zorzetto and Mrs Amy Luscombe will be attending this performance to support our students. The bus will leave at 3.30pm and return to school at approximately 8:15pm.

Next week, our professional learning community will attend a twilight educative workshop on Wednesday. Peter Miles, a behaviour expert will be our guest presenter. This workshop will focus on establishing a practical, contemporary whole school philosophy of Behaviour Management, linked to a logical progression of non-emotive, low-intrusive strategies. This will help to establish consistency of practice across our school.

Next Monday and Tuesday we have 57 students attending Zone Athletics at Leslie Patrick Park, Arana Hills. We wish our representatives all the best in this inter school competition.

Next week, I will be away Thursday and Friday attending the North 4 Principal Cluster at Nanango. Mrs Luscombe will be acting principal whilst I am away.

Yours in education

Fran
From the APRE
Cross-School Partnerships

As part of our ongoing goal to develop a common understanding and language of learning, on Tuesday afternoon our teaching team met with three teachers from Guardian Angels School to hear how their school has journeyed with a similar goal over the past 18 months. The teachers shared how student awareness and understanding of their learning had changed and improved over time as teachers were most explicit and visible in their learning intentions, success criteria and feedback. Our goal to develop a common understanding and language of learning aligns with the Delivering Excellence in Learning and Teaching (DELT) initiative of Brisbane Catholic Education and contemporary educational research including Hattie, Sharratt and Williams. It was inspiring to hear the journey of another school and to receive some practical guidance and strategies for our teachers.

We continue to focus on our 3 key questions:
- What am I learning?
- How am I going?
- How do I know?

In addition, teachers are continuing conversations with our students about “What makes a great learner at St Joseph’s?” I encourage you to continue these discussions and questions at home also.

St Mary MacKillop Feast Day

Last week we celebrated the Feast of St Mary of the Cross MacKillop, the first Australian Saint and Patroness of the Archdiocese of Brisbane, with a whole school Eucharistic celebration in the church. On the weekend, Eli (Year 5) and Alice (Year 6) represented St Joseph’s singing in the Combined Catholic Schools Choir at the Cathedral. It was a wonderful two days of celebration and honouring of this significant Australian and Catholic.

Upcoming Class Mass Times

As part of the Religious Life of our School our students and teachers lead Parish Mass on Tuesday mornings at 9am. Parents and Parishioners are most welcome to join the leadership team and class parent representatives after Mass for a Cuppa and Conversation.

Upcoming Community Prayer

As a Christ centred and welcoming learning community, we invite all who are part of St Joseph’s to join in prayer on the first Friday of the month (during school term). Our next Community Prayer will be held on 4 September at 8am in the Church and will have a focus on Fathers. I encourage the special men in our children’s lives to join us in prayer on this morning, as we honour and celebrate them.

Parish Confirmation and First Eucharist – has begun!

We continue to hold the children preparing for Confirmation and First Eucharist in our Parish in our prayers. Over the next few weeks, they will participate in a range of discussions and activities with their families, and weekly during Mass to prepare for this significant time in their faith journey.

Woolworths Earn and Learn

We are making great progress with our Earn and Learn sticker charts – please keep them coming in!

Parent Portal

This week our school leadership team met with the team from Brisbane Catholic Education to review and reflect on our first month of Parent Portal. Like anything new, it will take time and patience to get this ‘right’ for our school context and we certainly appreciate your feedback and support as we continue work on this important communication tool.

After one month, we are celebrating:
- 284 active parent accounts – this is a great response as there are currently 274 families in the school.
- 11 262 page views
- Most visited pages: School Newsletter, Class News, My Details, My Students, Strategic Resourcing Survey.

Our next steps:
- 150 parent accounts yet to engage – these account holders will receive a reminder email before the end of Term 3.
- Parents and Friends Portal – From Term 4 this will include access to document libraries of agendas, minutes etc. and P & F calendar overlayed with School Calendar. Our P & F Executive will receive training in this soon.
- BCE Connect smartphone app is on its way! This will provide improved smartphone accessibility to the Parent Portal and will allow for push notifications from the school straight to your mobile device.

Feature of the Week: Forms and Documents

The Forms and Documents tile of the Parent Portal will take you to a document library containing enrolment, medical, volunteer and fees/finance information, school policies, permission notes and so much more. It is a ‘one stop shop’ for any forms or information you need.

Music News

Why teach music in schools?

“…..From these findings she concluded that the two skills, reading achievement and music achievement, are related in some manner. In other words, if a child has achieved well in music, the child will also achieve well in reading.” Extract from ‘The Value of Music Education’ compiled and edited by Bruce Pearson

Congratulations to our two students – Alice B and Eli K-P on representing St Josephs at the St Mary Mackillop mass at St Stephen’s cathedral last Saturday. Our students sang beautifully and participated wholeheartedly in the Mass. Well done to you both! Many thanks to Mrs Luscombe for attending and supporting the students.

Choral Festival

All Year 5 students will be participating in this year’s Choral Festival at St Francis Xavier Primary School, Goodna on Tuesday 15th September at 7.00pm. Students will be travelling up to Goodna on the day for the last whole day rehearsal with the other 10 Catholic primary schools. A letter with travel permission form will be sent out closer to the date. All students need their own transport to and from the venue on the night. Students are to meet Mrs Zorzetto no later than 6.40pm for a prompt 7.00pm start. The concert will have an interval and will finish at approximately 9.00pm. The St Francis Xavier Parents and Friends have organized a barbeque tea available from 5.30pm onwards for a quick family meal before the concert.

Stay tuned!

Aladdin Trouble

We are in need of some helpers to sew some costumes for the musical.

Can you help?
Please contact Mrs Zorzetto in the Music room. Many thanks for all your help.

Library News

Book Week News

Book Week celebrations are only a few weeks away.

Door Displays

In the coming weeks, all classrooms will feature a special door display dedicated to a favourite author or book. So far we have some classes focussing on our visiting author Peter Carnavas and using his books in their art display and another class going with a Roald Dahl theme. Please take the time to look at your child's classroom door as they are decorated.

Costumes for Parade

Has your child decided on their Book Week character costume yet? We are hoping that children can be creative with these rather than the focus being on purchased costumes. I have talked to students about their costumes and the alternatives they can have such as masks and decorated hats.

Kate Hunter

Prep and Year 1 will be spending some time during Book Week with Kate Hunter who has kindly agreed to come and share her new picture book A Curry for Murray with them.

Book Fair

Issue 6 Book Club will not be distributed this term. Instead, we will be having a Carnival Book Fair during the week of Book Week, Week 9. The fair will be open before and after school and there will be a late night to coincide with the P and F meeting. Look for flyers about this as we draw closer to that date.

Lego

A big thank you also to the families who donated Lego to our Library. We now have a fabulous selection for the children to use. Watch this space over the coming weeks as the Library will be hosting a Book Week related Lego Challenge for any interested students.

Thank you parents for your support of the Library.

Team News

St Joseph’s 1 – U12 Gold (Div 1) v Phoenix 9 (from last week)
Wow what an exciting last round game for the girls. Tight defence and strong attack by the girls saw a really close game played out. We were down by 2 at half time but fought back in the 3rd quarter. However we were pipped at the very end and went down by 2 goals. A really strong game to end a strong season. Phoenix (9) 33 def St Josephs (1) – 31.

St Joseph’s 4 – U10 Blue v Cannons
It was a fittingly enthusiastic performance from our girls to conclude what has been a wonderful season of netball. From the outset, a few spectacular mid to long range goals set the tone of the game. Play was fluid and tactically sound, and showcased how beautifully our girls' skills have developed throughout the season. Thank-you Nicky, you have really facilitated the growth of our team throughout the season, to the enjoyment of all team members and supporters! It was lovely bonus to finish with a decisive win for St Joseph’s.

St Joseph’s 5 - U10 Orange v Raiders
The girls had a wonderful final game. They broke in front of their players and kept the opposition on their toes. Beautiful shooting from various positions inside the circle. Overall their teamwork shone through. Well done girls and thanks for a brilliant season.

A HUGE thank you to our wonderful coach Jo. Our girls have blossomed under your guidance, patience and knowledge. Not only did you teach them netball skills, but you have also taught them valuable life skills, such as helping each other out, working as a team, being accepting of what makes us all unique, and being gracious in defeat and victory. Thanks again for a wonderful season.

St Joseph’s 6 - U8/9 Red v St Margarets
The girls finished the season off with arguably their best game of the year. Against an opposition with a distinct height advantage the Joeys girls showed them how to play skilful expansive netball of the highest quality. It was a treat for the loyal parent supporters group to watch the girls put it all together for their last game. Many thanks to super coach Alissa for her dedication throughout the season and to our efficient managers Erin & Lisa. Also to Jo for her educational umpiring.

St Joseph’s 7 – U8/9 Green v Pheonix 18
A great final game to end the season. Phoenix was a tough team but the girls showed much resilience and came back strongly in the second half, showing off that great Joeys’ spirit. The team have had a fantastic season – for some of them, their first in a team sport. They have all improved so much and the whole team appreciates all the hard work that has been put in by our great coach, Hami and by our manager Kim. Many of the girls look forward to another great season next year.

St Joseph’s 9 -U8/9 Purple v Valleys 36
It is official, our little Princesses have traded in glass slippers for a pair of netball joggers and Prince Charming is the nickname for the FABULOUS medals each received Saturday. Having now won their Prince Charming, I am confident the girls will love him dearly until they don the netball yellows again next year and break all our hearts with their joy, courage and unbeatable little girl's spirit. We are so very proud of you all.
